The Kennel Club has asked that we draw your attention to the potential health & safety implications concerning the use of soft crates as in it's view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or left at ringside. We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall or in an open car in the car park. **Exhibit numbers must be displayed on all crates/cages**

JUDGES PROFILES

HELEN UPTON BIS - Roydack

I was born into the world of dogs, with both my parents meeting at a dog show, before breeding and making myself and my brother. I grew up in a household with Gordon Setters and English Setters. We have also had Cavalier King Charles Spaniels. I currently own Gordon Setters, German Shorthaired Pointer and Weimaraner with my mum and in partnership with others a Pointer and Welsh Springer Spaniel. The Affix Roydack came from my mum and is her maiden name 'Ackroyd', all jumbled up. I have been heavily involved in dogs my entire life and have handled various breeds in the ring, including: Bracco's, HWV, Vizsla, Pointers, English Setters, Brittany's, GSP, GWP, WSS, Weimaraners and of course Gordons. In the breeds I own, I attend breed shows as well as support open shows with breed classes and Championship shows. I started judging in 2002 and I currently award CC's in Gordon Setters. I also judge all gundog breeds at Open show level and have judged group level at Open show. I have sat on various dog show committees over the years, however due to work commitments I am down to just one committee, which I have been on for 11 years (Mid Herts Gundog Club). The committees I have previously sat on: Setter and Pointer Club (Trophy Steward), Welsh Springer Spaniel Club and South Eastern Welsh Springer Spaniel Club (Membership Sec) I am honoured to be asked to judge best in show at this show and am looking forward to it"

ALISON SCUTCHER– Winsleywood

I have been involved in Labradors for nearly 25 years and despite small scale selective breeding I have been fortunate in my successes, winning several CC's, RCC's, Junior Warrants, Show Certificates of Merits, Show Gundog Working Certificates and Working Test awards. I award CC's in Labradors and Belgian Shepherds. I have always been keen at putting something back into dogs and sharing the responsibility in running events for everyone to enjoy. For the past 20 years I have been Show Secretary of a General Canine Society running an all breeds open show, General Secretary of a regional breed club for 15 yrs running two open shows and a championship show, a member of my parent breed club committee for 5 years, Show Secretary for The United Retriever Club running two sub-group Open Shows and a Championship Show for 5 years and I am also a KC Show Liaison Representative for the East of England. In addition to this I have for the last few years worked in the Chief Stewards Office at East of England, which is something I really enjoy. I am on the following judging lists: Golden Retrievers – A3 LIST for the following South Western GRC, Eastern Counties GRS, Southern GRS, GRC of Wales, Midland GRC, Northumberland GRC, Yorkshire GRC, Midland GRC, B LIST – Irish setters, Brittany's and NSDT Retrievers and C LIST - Field Spaniels and Hungarian Wire Haired Vizsla.

MARK DOTT- Manchela

CATH MOFFAT– Kyleca

Dogs and horses have been a big part of my life since I was a young girl, a passionate animal lover. I started showing gundogs in the early 1980s, returning to my equine activities in the early 1990s. I bought my first Bearded Collie in the late 1990s & enjoyed much success making up 2 UK Champions; Ch/Ir Ch. Gallus Macracker at Kyleca JW ShCM (Ryan), a real gentleman who also produced some beautiful puppies making me very proud and Ch. Kyleca Spring Breeze JW (Jessica) who was homebred and with whom I had a very special

bond. Today I share my life with our sole Bearded Collie Talraz Comedy Act for Kyleca (Daisy) who is rarely shown and always handled by her breeders when she dips her paw in the ring!

My time is now spent enjoying a judging career and I am currently passed by the Kennel Club to award 16 sets of CCs within the Pastoral and Working Groups, along with the Pastoral Group at championship level. I love attending seminars for other breeds and consider every judging appointment an absolute privilege.

Where the Best of Breed or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed or Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively.

14. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.

16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

17. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and The Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

18. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under The Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Kennel Club. This shall apply at the venue or within the precincts of the show.

19. Not for Competition: Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B) 1

These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A42. (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat. (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42. 2. (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show. (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition. 3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:- (a) Operations certified to the satisfaction of the General Committee. (b) The removal of dewclaws of any breed. (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated in the opinion of the General Committee to deceive. 4. The General Committee without previous notice may order an examination of any dog at any Show. Any examination thus ordered will be made by a person having executive

authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis. 5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf. 6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

IMPORTANT INFORMATION REGARDING IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times.

This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.
