SOFT CRATES

The Kennel Club has asked that we draw your attention to the potential health & safety implications concerning the use of soft crates as in it's view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or left at ringside. We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall or in an open car in the car park. **Exhibit numbers must be displayed on all crates/cages**

JUDGES PROFILES

Claire Prangle - HEATHCLARE

I grew up with Irish setters as my parents had them from the early 50's but I didn't start showing until 1992. Over the years I have had reasonable success with my dogs winning CC's, RCC's and other awards offered by our RKC. I have also had success with my handling winning CC's & RCC's with all four of the setter breeds. I started judging Irish Setters in 1997 and gave my first set of CC's in 2008 and this was followed by Irish Red & White Setters in 2022 (delayed by pandemic.) I judge all breeds of Gundogs at open show level including the group and BIS. I have had the great pleasure of judging in Australia & Europe. I am so looking forward to judging my first Gundog show at Cornwall Gundog as this is one of my favourite shows as an exhibitor.

Emily Rachel Evans - EMILANA

I started showing from a very young age, when my parents used to show their labradors. I was a keen junior handler which I did for many years before moving into adult handling and then eventually owning and breeding my own labradors under my own affix. The two girls I currently own and show have both gained entry into The Kennel Club Stud Book. My judging experience includes junior handling classes at the age of fifteen. After judging a couple of junior and adult handling classes I decided to progress into breed judging. I have a keen interest in many breeds and have judged multiple breeds within the gundog group.

Graham Hart - GILLIEGRAE

I have had dogs of various breeds all of my life, but it was when my wife and I got our first Irish Setter and Irish Red and White Setter in 2007 that we were introduced to the show world, enjoying some success in both breeds along the way, luckily I am now able to award CC's in both of my breeds too. I am Secretary of Stoke Gundog and involved on two breeds club committees also a local society where we now live in Wales. I would just like to thank Cornwall Gundog for the opportunity to officiate at their prestigious show.

Julie Gilbert - JOANMAS

My parents bought our first Irish Setter as a pet from the late Marjorie Jarosz when I was child. Marjorie persuaded me to show him and he came third in his first show - I was hooked! Ranter was a wonderful family member who taught me and gave me so much. He went on to gain his title, winning his 3rd CC at Crufts in 1978 and became Sh Ch Joanma's Ranter. Irish Setters are now very much part of the family and I could not imagine life without one. I have had several successful dogs since Ranter but due to difficult family circumstances have not always been able to show them to their full potential. I am very much looking forward to my judging appointment and meeting the exhibitors and their dogs. I would like to thank the committee for inviting me to judge at their prestigious show (who can say no when it's a trip to lovely Cornwall!!)

Debbie Bayliss – WILANORAH

Jackie Chan – WEMCREST

My love of dogs started in 1972 with a pet Pembroke Welsh Corgi. After ill health, my father took up showing purchasing his foundation bitch in 1974 from the late Jessie Fitzwilliam. This was when I took up junior handling. We had our first litter in 1976 under the kennel name of Wemcrest. My parents exported a few dogs who were made up into International Champions and an American Champion. In the late 80's I judged Pem corgis at a number of open shows. I took a long break from showing after the death of my father to raise my daughter. However, in 2018 with much persuading to my husband, I was fortunate to purchase my first Golden Retriever bitch from the Lovissa Kennel. The Wemcrest Kennel name was reinstated. I have since gone on to breed my first litter of goldens; gained a stud book number and bred a dog who has gained his junior warrant.

12. Best in Show

The dog declared Best in Show is a dog which has competed and has been declared Best of Breed, Best Any Variety Not Separately Classified or Best Any Variety Imported Breed Register.

Best of Breed - Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.

14. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.

16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

17. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and The Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE
MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

18. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under The Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Kennel Club. This shall apply at the venue or within the precincts of the show.

19. Not for Competition: Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

20. No modifications will be made to the schedule except by permission of the Board of The Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

IMPORTANT INFORMATION REGARDING IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times.

This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.
